How do appliance repair plans help?

Few people plan for major appliance breakdowns. Do you have maintenance man/repair man you can trust to fix the problem? What will it cost, how long will it take for them to come out and assess the problem, and can you afford it?

BRIGHTER HOMEZ

Affordable: For only \$25/month, the Basic Repair Plan helps protect you from the high cost and hassles. Please note this plan includes servicing of singular appliances and repairs or replacements.

Additional add-ons: For an additional \$25 Brighter Homez will cover the cost of parts for basic repair services. Please note: replacement parts are equivalent to quality of original part.

Additional Appliances: Customize your Basic Repair Plan by [adding additional appliances](#) for \$5.95 each per month. This additional appliance includes repairing of appliances only and not replacement.

Convenient: When a home appliance breaks, few people have the time to research repair services to find one they can trust. When your appliance is covered by a repair plan from Brighter Homez, you have one place to turn for help with all of your covered appliances. You can call us at 612-888-7977.

Trusted Professionals: Our technicians are highly trained and pre-screened. An experienced, honest and friendly tech will arrive to repair your home appliance.

Want to add appliances?

Looking to add appliance coverage? You can [add additional appliances](#) to your Basic Repair Plan for \$5.95/month per appliance.

Recommended Appliances:

- Refrigerator
- Dishwasher

If you're adding three or more options, you'll probably want to consider the [Total Repair Plan](#), which covers Plumbing for Kitchen, Cooking, and Bathroom. Dishwasher and Refrigerator repair. Furnace and Central Air tune ups for as low as \$75/month.
